

# Yolo HCP/NCCP Qualified Biologist Applications Certified as of August 4, 2022

X
X

Applications with cells filled with dark green are applications that have been reviewed and certified. Biologist is considered 'qualified' for each activity shown in green. Any cell that has an 'X' but is not filled with green has NOT been approved.

Any cell that has an 'X' and is filled in with light green is eligible to survey habitat but does not currently have proof of applicable permits necessary for species surveying/handling.
